Dear Parents and Guardians

The following information has come to our attention regarding North Cestrian. They have had several reports of a man in his 30's approaching pupils in the vicinity of the school at the start and end of the school day. He has **not** entered the school site. They have informed the police who have visited the school site and have taken details of the man. North Cestrian believe they have the name of the man, which they have shared with the police.

As usual with these worrying incidents, it is about getting balance between sensible caution and undue fear.

Please remind your children that they are not to approach or engage with any stranger at any time and offer them reassurance.

Staff will be extra vigilant. If you are concerned please report the matter to a member of staff.

Yours sincerely

A Roberts (Mrs)  
Headteacher
