

Newsletter 28 – 27th April 2018

Dear Parents and Carers,

What a busy week it's been here in school; it's hard to believe that it is Friday already!

Prep 5 visited Tatton Park for an Anglo-Saxon Day – their costumes were splendid. Prep 2 had an enjoyable day at Stockley farm. Preparations for First Communion are going well and we ask you to remember these girls in your prayers.

The LPA met this week and it is hoped that we can go ahead with the first phase of developing the playground over the summer holidays. This would mean that when we come back in September the infant girls would have a trim trail in place.

Our second, third and fourth phases involve developing the Early Years area, an outdoor classroom and a junior trim trail. I have put some images of the equipment that we would like to purchase in the notice board outside the front door.

Please support the LPA events – they are doing a wonderful job and hopefully all the girls will soon be able to enjoy the fruits of their labour.

Parent Forum

During this term I would like to set up a parent forum group. This forum would provide an opportunity for parents to meet with each other and with representatives of the Governing Body and the Senior Leadership Team to share ideas about the education of their children and to support the school. Initially a working party will meet to set the terms of reference – the membership, when meetings will be held and how the forum will work – so that this can be an effective group. This is an exciting opportunity for parents to be involved in the future development of the school. I look forward to working with this group to make our school the best that it can be.

Farewell

At the end of this term we will say goodbye to three very valuable and extremely committed members of our school family.

- Paul and Mary Wagner work tirelessly to make sure that our school environment is kept to an impeccably high standard. Visitors always comment on our school environment as it is always warm, clean and inviting. Nothing is too much trouble! They will be a difficult team to replace. Although Mr Wagner is retiring we will not lose his expertise entirely as he is going to maintain our school grounds on a part time basis.
- You may be aware that Mrs Brett travels a considerable distance to teach PE in our school. She arrives extremely early and works a very long day, taking clubs before school, after school and over the lunchtime. She is passionate about both PE and our school and under her direction the standard of sport within the school has increased beyond recognition. In recent months the health of her parents has deteriorated significantly and she feels that under the current circumstances she must put the needs of her family first. It is with great regret and sadness that she will be leaving us at the end of term and we will miss her contribution to our school enormously.

We will mark their departure with a fitting celebration at the end of the Summer Term and I am sure you will want to join with me in wishing them all the best.

First Holy Communion

The school will be closed on Friday 4th May as this is First Holy Communion day. The only pupils to attend on this day are the First Holy Communicants and Prep 7.

School will remain closed until Tuesday 8th May, as Monday 7th is a Bank Holiday.

Have a good long weekend

Mrs Roberts
