

## Newsletter 33 – 8<sup>th</sup> June 2018

Dear Parents and Carers,

Welcome back to the final half term of the year – I can't believe how fast this has come around.

On arriving at school yesterday, I thought I must have travelled via Platform 9 ¾ to Hogwarts! The day started with an assembly – the four sports captains put on the sorting hat and they were allocated their house. All the girls had the opportunity to learn about quidditch and take part in games. It was a fantastic day and we certainly have some potential wizards in our midst!

Please check the calendar on the website and look out for letters regarding events and dates over the coming weeks taking very careful note of information as there will be a lot going on.

Mrs Roberts

### Parent Forum

The working party met and agreed that the main aim of the forum is to provide an opportunity for parents to meet with each other and with representatives of the Governing Body to share ideas about the education of their children and to support the school.

The forum will meet once a term and will be made up of one parent representative from each class in the school. Nominations for the class representative will be put forward before the end of term. If there is more than one nominated representative for the class, there will be a vote taken when we return to school in September.

This is an exciting opportunity for parents to be involved in the life and work of the school – supporting and encouraging each other in the process of improving the school.
